Welcome to DEVA...

Deva City Office Park is a unique office development on the site of the former Threlfall's Brewery.

The location offers the benefits of city centre amenities and public transport links, combined with unrivalled car parking provision and excellent road connections.

Deva City Office Park provides a wide range of business space, including original Grade II listed former brewery buildings which have been sympathetically refurbished to provide high specification office space, whilst retaining the heritage of their former use.

The original buildings are complemented by a development of 17 self-contained contemporary office units, each with its own front door. Arranged around a central courtyard, the units offer the added benefit of 24/7 manned security and secure car parking, accessed by a barrier entry system.
